

Advertising and Privacy Policy

Taiwan Mobile Co., Ltd. ("we" or "TWM") places a high value on the benefit of users, clients and advertisers ("you"), for the operation of mobile advertisement business ("TA Media"). In order to protect your rights and interests, please read the following policy carefully:

I. Advertising Policy

1. The advertising policies apply to all ads and commercial content served by or purchased through DSP, including ads purchased under AAAA/IAB Standard Terms and Conditions.
2. You are responsible for understanding and complying with all applicable laws and regulations. Failure to comply with laws and regulations may result in a variety of consequences, including the cancellation of ads you have placed and termination of your account.
3. We do not use sensitive personal information for ad targeting. The topics you choose for targeting your ad don't reflect the personal beliefs, characteristics or values of users.
4. If you are managing ads on behalf of other advertisers, each advertiser or client must be managed through separate ad accounts. You shall set up a new account but not change the advertiser or client associated with an established ad account. You are responsible for ensuring that each advertiser complies with the advertising policies.
5. Every advertisement shall be reviewed to ensure that such advertisement has met our advertising policies before it is shown up in public. Typically the review period is 24 hours after issuing to us, although in some cases it may take longer.
6. We reserve the right to reject, approve or remove any ad for any reason, in our sole discretion, including ads that negatively affect our relationship with our users or partners, or that promote content, services, or activities, contrary to our position, interests, or advertising philosophy.
7. These policies may be modified or changed by us at any time without notice.

Prohibited Content

8. The advertiser shall ensure that ads shall not constitute, facilitate, or promote any illegal products, services or activities. Ads targeted to

II. Privacy Policy

This policy ensures that we meets the legal and ethical requirements in regard to the collection, storage and disclosure of your personal information we hold in regard to the current, potential and previous clients, staff, and interactions with external organizations.

Why Do We Collect and Use Information?

- 16. Advertising supports free content and experiences we all love on the web, social media platforms, and on Internet- enabled mobile devices such as smartphones and tablets. Our goal is to make advertising more effective by helping to display content that may be of interest to

you. Relevant ads are less annoying and help the services that depend on advertising because advertisers pay more for effective ads.

17. To deliver relevant advertising to you, we may collect personal information about your activity across multiple third- party websites or mobile applications. We may use this information to predict the types of ads that may interest you and to display advertising to you based on that information (“Interest-Based Advertising”). For example, if you visit multiple websites that feature articles about travel or you use a travel app, we may display travel- related ads to you on another website or app. If you would like to opt out of TWM’s Interest-Based Advertising practices, please see the Opting Out section below.

What Types of Information Do We Collect?

Through Taiwan Mobile’s Programmatic Buy Services, we may (but do not necessarily or always) collect a variety of information about End Users (through our Advertising Partners such as Ad exchange their display advertising partners), including:

18. TWM collects a variety of personal information to help target online advertising to you based on your interests. This personal information including but not limited to information about your hardware and software attributes and your online behavior, including your browser type (e.g., Firefox or Internet Explorer), operating system (e.g., Macintosh or Windows), Internet provider, your IP address and domain name.
19. If any user intends to delete his or her personal information which collected by us, the user may contact us at TAMservice@tamedia.com.tw. We will delete such personal information from our files. In the event that any parent or guardian becomes aware that his or her child or the person under the guardianship has provided us with personal information without consent form parent or guardian, the parent or guardian may contact us at TAMservice@tamedia.com.tw, and we will delete such personal information from our files. We will not, nor through any third party, or in various ways, try to find out the authenticity of the user behind the cookie.

Opt-Out

20. The policies apply to information collected by TWMM from third party websites and apps via our technologies and from other sources in connection with our advertising platform. It also describes the choices available to you regarding our use of your information and how you can opt-out of the delivery of ads using your information.
21. In most cases, users may have control over whether or not they would like to receive relevant ads and marketing email from our advertising partners.
